

Appln No. 10/772,482  
Amdt Dated March 9, 2006  
Reply to Office Action of December 9, 2005

App 1484

### REMARKS

Claims 6, 12 and 20 remain in the application.

Claims 1 to 5, 7 to 11 and 13 to 19 are cancelled by this amendment reserving the right to file a timely continuation application.

Paragraph 33 of the specification is amended to remove the embedded hyperlink. It is respectfully submitted that the amended specification complies with the requirements of MPEP § 608.01.

Claims 6, 12 and 20 stand objected to as being dependent upon a rejected base claim. The Examiner has indicated that these claims would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims. Claims 6, 12 and 20 are amended accordingly. Therefore, it is respectfully submitted that Claims 6, 12 and 20 should be deemed allowable.

Reexamination, reconsideration and allowance of claims 6, 12 and 20 are respectfully requested.

Entry of this amendment is respectfully solicited since it will place all of the claims remaining in the application in condition for allowance.

Respectfully submitted,

Philip J. Feig
